RE: Donald H. Gardner, p/k/a Blacka Nice v. Ramon Luis Ayala-Rodriguez  
Our File Number : 7.6494  
Case Number : 07-CV-6535 (RJS)

Dear Judge Sullivan:

As Your Honor may recall, on December 18, 2007 a Status Conference was held in the above-referenced matter. During said Conference, we advised the Court of our difficulty in serving the Summons and Complaint upon various Defendants. As a result, Your Honor allowed us until January 18, 2008 to file a Motion for Substituted Service. All of the Defendants that previously filed Answers in this action have been dismissed by way of Stipulation though it is my understanding that this Stipulation has not yet been docketed by the Court.

Since our appearance in Court, we have conducted substantial investigation regarding the whereabouts of the main Defendant, Ramon Luis Ayala Rodriguez p/k/a Daddy Yankee. We have learned that said Defendant has recently concluded a world tour and may have returned home to Puerto Rico. We have also determined that there is an additional valid address for this Defendant and service is currently being attempted at said location. However, we have not received confirmation of service from the process server as the completion of service is still pending. We are hopeful that we may still be able to effectuate service on Defendant based upon the fact that his tour schedule is complete and

we have located an additional address.

Based upon the foregoing, we respectfully request that Plaintiff's time to file the Motion for Substituted Service be extended for an additional thirty (30) days.

Thank you for your attention to this matter. Of course, should you have any questions, please do not hesitate to contact me.

Very truly yours,
